

Shearn's Seafood and Prime Steaks Partners with Katie's Seafood to Offer more Sustainable Seafood

Galveston, Texas (May 10, 2018) — Shearn's Seafood and Prime Steaks has partnered with Katie's Seafood, to help serve customers the freshest seafood from the Gulf of Mexico. This partnership in conjunction with Gulf Wild a non-profit based organization supporting U.S. fisherman operating in the Gulf of Mexico. Gulf Wild is setting the standard for genuine responsibly caught traceable and reliable wild domestic seafood.

“Gulf Wild's commitment and conservation efforts ensures us that our grouper, snapper and other seafood are harvested in the Gulf of Mexico making it an easy decision for us to partner with Katie's Seafood,” said Richard Ternstrom, Director of Food and Beverage at Moody Gardens Hotel.

Guests can learn more about Gulf Wild their partners and sustainability practices by visiting www.gulfwild.com/programs. This page includes detailed information on unique conservation based initiatives, which help provide safe sustainable seafood from retailers to chefs and consumers.
